Policy

PSA Jacksonville is committed to maintaining a work environment free from unlawful discriminatory practices and inappropriate behavior. The cornerstone of the effort to eliminate all forms of unlawful discrimination, including sexual harassment, is leadership.

Each member of the PSA Jacksonville Team, Sailor and Civilian, is entitled to be treated fairly, with dignity and respect, and must be allowed to work in an environment free of unlawful discrimination.

Additionally, each member of the team is expected to abide by the DON Core Values of Honor, Courage and Commitment. Sailors and Civilians who model Core Values don't engage in negative behaviors such as sexual harassment, and don't condone those behaviors in others.
